

Office of Thrift Supervision, Treasury

§ 502.15

filings with OTS or use OTS services, the Director may require you to pay a fee to cover the costs of processing your submission or providing those services. The filings for which the Director may charge a fee include notices, applications, and securities filings. Among the services for which the Director may charge a fee are publications, seminars, certifications for official copies of agency documents, and records or services requested by other agencies. The Director also assesses fees for examining and investigating savings associations that administer trust assets of \$1 billion or less, and affiliates of savings associations. If you are a savings association and you or any of your affiliates cause OTS to incur extraordinary expenses related to your examination, investigation, regulation, or supervision, the Director may charge you a fee to fund those expenses. Subpart B of this part describes OTS's fee procedures and requirements.

[63 FR 65670, Nov. 30, 1998, as amended at 67 FR 78151, Dec. 23, 2002]

Subpart A—Assessments

§ 502.10 How does OTS calculate my assessment?

OTS determines your semi-annual assessment by totaling three components: your size, your condition, and the complexity of your business. For the size and complexity components, OTS uses the September 30 Thrift Financial Report to determine amounts due at the January 31 assessment; and the March 31 Thrift Financial Report to determine amounts due at the July 31 assessment. For purposes of this subpart, total assets are your total assets as reported on Thrift Financial Reports filed with OTS. For the condition component, OTS uses the most recent composite rating, as defined in 12 CFR part 516, of which you have been notified in writing before an assessment's due date.

§ 502.15 How does OTS determine my size component?

(a) *General.* (1) Unless you are a qualifying savings association under paragraph (b) of this section, OTS uses the following chart to calculate your size component:

If your total assets are:		Your size component is:		
Over—	But not over—	This amount— Base assessment amount	Plus— Marginal rate	Of assets over— Class floor
Column A	Column B	Column C	Column D	Column E
0	\$67 million	C1	D1	0.
\$67 million	215 million	C2	D2	\$67 million.
215 million	1 billion	C3	D3	215 million.
1 billion	6.03 billion	C4	D4	1 billion.
6.03 billion	18 billion	C5	D5	6.03 billion.
18 billion	35 billion	C6	D6	18 billion.
35 billion	C7	D7	35 billion.

(2) To calculate your size component, find the row in Columns A and B that describes your total assets. Reading across in that same row, find your base assessment amount in Column C, your marginal rate in Column D, and your class floor in Column E. Calculate how much your total assets exceed your Column E class floor. Multiply this number by your Column D marginal rate. Add this number to your Column C base assessment amount. The total is your size component. OTS will establish the base assessment amounts and

the marginal rates in columns C and D in a Thrift Bulletin.

(b) *Special size component calculation for qualifying savings associations.* If you meet all of the criteria set forth in paragraph (b)(1) of this section, you are a qualifying savings association and OTS will calculate your size component in accordance with paragraph (b)(2) of this section.

(1) *Criteria for qualifying savings association status.* (i) You were a savings association as of January 1, 1999.

§ 502.20

(ii) Your total assets have never exceeded \$100 million at the end of any quarter.

(2) *Size component for qualifying savings associations.* If you are a qualifying savings association, your size component is the lesser of:

(i) Your size component calculated under paragraph (a) of this section; or

(ii) Your assessment calculated using the general assessment table at 12 CFR 502.1(c) as contained in the 12 CFR, parts 500 to 599, edition revised as of January 1, 1998, as implemented in Thrift Bulletin 48-9, dated December 21, 1992.

§ 502.20 How does OTS determine my condition component?

OTS uses the following chart to determine your condition component.

If your component rating is:	Then your condition component is:
1 or 2	Zero.
3	50 percent of your size component.
4 or 5	100 percent of your size component.

[66 FR 33159, June 21, 2001]

§ 502.25 How does OTS determine my complexity component?

If your portfolio exceeds any of the thresholds in paragraph (a) of this section, OTS will calculate your complexity component according to paragraph (c) of this section. If your portfolio does not exceed any of the thresholds in paragraph (a) of this section, your complexity component is zero.

(a) *Thresholds for complexity component.* OTS uses three separate thresholds in calculating your complexity component. You exceed a threshold if you have more than \$1 billion in any of the following:

(1) Trust assets you administer.
 (2) The outstanding principal balance of assets covered, fully or partially, by your recourse obligations or direct credit substitutes.

(3) The principal amount of loans that you service for others.

(b) *Assessment rates.* OTS will establish one or more assessment rates for each of the types of activities listed in paragraph (a) of this section. OTS will

12 CFR Ch. V (1-1-04 Edition)

publish those assessment rates in a Thrift Bulletin.

(c) *Calculation of complexity component.* OTS separately considers each of the thresholds in paragraph (a) of this section in calculating your complexity component. OTS first calculates the amount by which you exceed any of those thresholds. OTS multiplies the amount by which you exceed any threshold in paragraph (a) of this section by the applicable assessment rate(s) under paragraph (b) of this section. OTS then totals the results. This total is your complexity component.

§ 502.30 When must I pay my assessment?

OTS will bill you semiannually for your assessments. Assessments are due January 31 and July 31 of each year. At least seven days before your assessment is due, the Director will mail you a notice that indicates the amount of your assessment, explains how OTS calculated the amount, and specifies when payment is due.

§ 502.35 How must I pay my assessment?

(a) *Debit at Federal Home Loan Banks.* If you are a member of a Federal Home Loan Bank, you must maintain a demand deposit account at your Federal Home Loan Bank with sufficient funds to pay your assessment when due. OTS will notify your Federal Home Loan Bank of the amount of your assessment. OTS will debit your account for your assessments.

(b) *Direct billing.* If you are not a member of a Federal Home Loan Bank, OTS will directly debit an account you must maintain at your association.

§ 502.40 Can I get a refund or proration of my assessment?

OTS will not refund or prorate your assessment, even if you cease to be a savings association. If you are a savings association for whom a conservator or receiver has been appointed, you must continue to pay assessments in accordance with this part. OTS will not increase or decrease your assessment based on events that occur after the date of the Thrift Financial Report upon which your assessment is based.
